(a) Award against this solicitation shall be made based on a
comparative assessment of offerors' prices, quoted deliveries,
and past performance. Award may be made to other than the
low-priced, technically acceptable, responsible offeror. The
Government retains the right to award to the offeror with the
lowest quoted or lowest evaluated price. Price, quoted delivery,
and past performance will be evaluated equally when making a
comparative analysis of offers. The past performance factor
considers quality performance and delivery performance to be of
equal value.

(b) Past Performance:

(1) Past performance information is maintained for
performance under all procurements with the Defense Logistics
Agency (DLA). Overall performance is evaluated as is performance
in each Federal Supply Class (FSC). This information is used to
generate ABVS ratings which are based on the following
indicators:

Delivery Delinquencies

- Number

- Severity

- Contractor caused Terminations, Cancellations, and Withdrawals
